

How to: Create and use shortlinks

1. Go to <u>www.bitly.com</u>. You will see you can copy and paste a link into the box on the homepage without being logged in, however you will not be able to track the clicks on this link or refer back to it at a later date. It is best to set up an account by clicking on "Sign Up".

	STEN. SHARE. MEA	ASURE.	
The link connect	ASH THE POWER OF T tts your marketing efforts to how and whe ence your brand. Are you getting the mos e	ere your customers	BITLY ENTERPRISE DEMO Already a Billy user? Learn what Bitly Enterprise and o for yout Watch the demol →

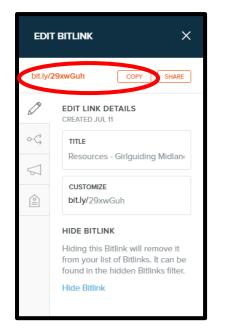

2. Now you are signed in, to start making shortlinks, click on "Create Bitlink"

4. You now have your short link. Click on "Copy" to copy the link to paste into Facebook, Twitter or wherever you will be using it.

5. If you have created an account with Bitly, it will keep all the shortlinks you ever make. You can then refer back to them to use again, and to see useful statistics such as see how many people clicked on them, where and when.
